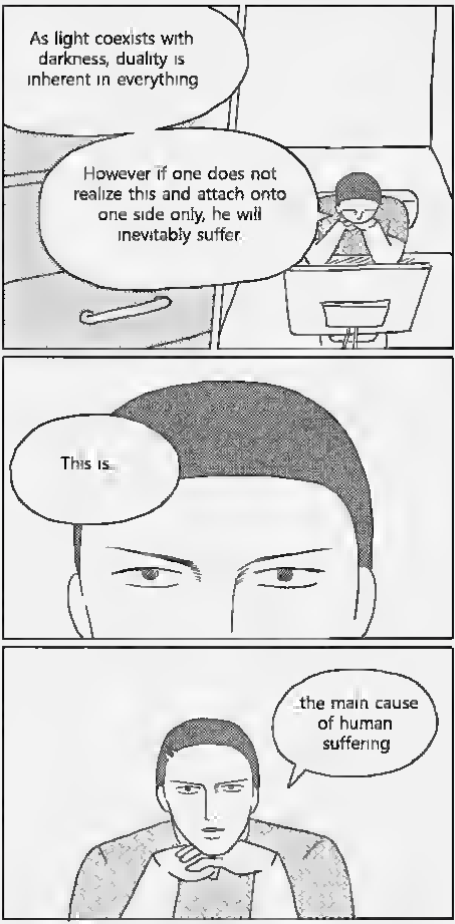
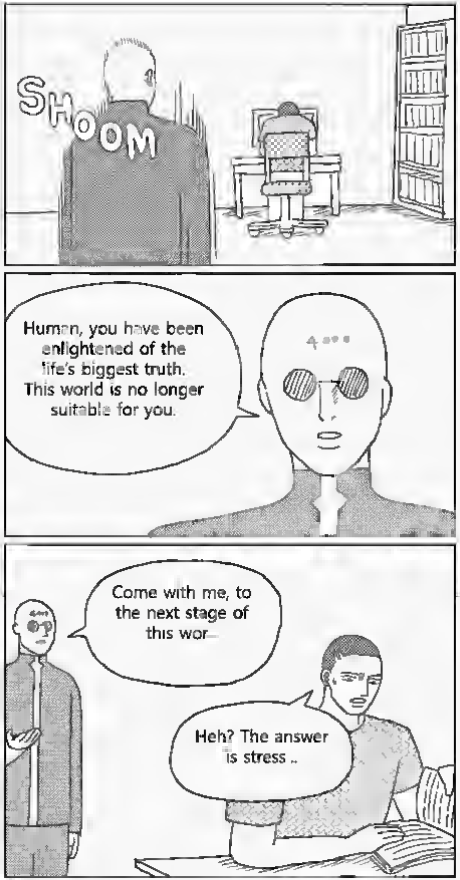
60. The Main Cause of Human Suffering



As light coexists with darkness, duality is inherent in everything
However if one does not realize this and attach onto one side only, he will inevitably suffer
This is
the main cause of human suffering



SHOOM
Human, you have been enlightened of the life's biggest truth. This world is no longer suitable for you.
Come with me, to the next stage of this wor-
Heh? The answer is stress ..
